### Saturday June 18 11am

Experience the convivial, authentic stories of the early Pilgrim descendent settlers presented with wit, whimsy and warmth.

Guest Speaker Stephen Brown, son of Harry H. Brown, will present his father's "Stories of Yesteryear". This amazing book of short stories, first printed in 1982 was reprinted March 2016 by Stephen.

*"Harry Brown has combined a sense of humor, knowledge of the area and considerable research to present a very interesting collection of anecdotes relative to previous generation of Halifax and Plympton."*

- John C. Angley, M.D.
