

## September 2016

### The Library has just installed a projector system in the Community Room!

We are so excited about the many opportunities in programming and community use this system provides.

Ease of use and access!

- **Movie Nights** - Book Clubs can watch movies 'based on the book', families can gather for movies, and we will have a new **Anime Club**
- **Technology Workshops** - Know more about Pinterest, Instagram, or how to build a blog or website in a large group with instruction projected in large view
- **Local Community Groups and Town Agencies will have use of the projector system for meetings.** - Call to reserve the room and connect your own laptop to the system or come in with your flash drive and use our laptop.

## FROM THE CHILDREN'S ROOM

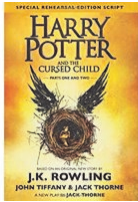

What a fantastic summer was had here in the Children's Room!

We want to thank everyone who took time out of their busy schedules to have fun at the Library – and to remind you that the fun continues here all year round. Make sure to stop by during the school year and see what we are up to!

The [Children's Book Club](#) will be reading Suzanne Collins' [Gregor the Overlander](#) while our [Teen Group](#) will be diving into [Virals](#) by Kathy Reichs. Copies of each will be available at the front desk. We are continuing our Sensory Storytimes in September and look forward to seeing many smiling faces on alternate Saturdays- please check out calendar for specific dates.

Most excitingly the library's new projector system should be ready to go by October. A new projector brings many new possibilities! We are going to be starting a **Teen Anime Club** for children grades 6 and up and hosting monthly **Family Movie Nights**. Keep your ears open for announcements about both in the near future!

Looking for some smashing sequels? This summer was full of them! If they aren't on the shelves, don't forget to ask to be added to a holds list to reserve your copy today!

[Harry Potter and the Cursed Child](#) by J.K. Rowling

Wendy Mass's [The Candymakers and the Great Chocolate Chase](#)

Chris Colfer's fifth [Land of Stories, An Authors Odyssey](#)
